As United Way of the Mohawk Valley celebrates 100 years of making an impact in our community, they are looking to honor 100 local heroes who have done the same.

Do you know someone who has made an impact for Oneida or Herkimer county? Their actions could be large or small, and made a difference in the lives of one or many.

Nominate them today for United Way’s 100 Heroes at unitedwaymv.org/100heroes

Nominations are being accepted through December 29, 2021.
