FAQs

For Volunteers

Do I need to set up an account to sign up for opportunities?

Yes, all individuals will need to set up an account to sign up to volunteer. This feature allows you to be matched with or alerted opportunities based on your preferences, track your volunteer time, and more!

Can I view or pull a report of my volunteer participation?

Yes, you can view your participation on both your dashboard and by pulling a printable report of your volunteer activity 24/7.

How can I learn about new opportunities?

You will receive e-mails based on your personal selection of "Causes", "Interests" and agencies that you have "Fanned." This feature will keep you notified about upcoming opportunities in the platform that match your preferences. You also can search for opportunities anytime.

How will my personal information be used? Will my personal information or data be shared?

Your personal information is secure within the Volunteers United platform and will only be shared to those agencies you sign up to volunteer with or fan. United Way of the Mohawk Valley will have access to your information, as owner of the platform but will not share, sell or otherwise disseminate your personal information.

What if I do not have an email address or phone number?

Due to the need of communicating with our volunteers, sometimes within a short time frame, we require an email address and phone number on file.

What oversight of the platform's volunteer opportunities is provided? How can I be sure I am signing up for a legitimate volunteer project?

All agencies that are registered on Volunteers United are vetted prior to being allowed to participate on the platform. When agencies register volunteer opportunities on Volunteers United, United Way of the Mohawk Valley is notified so we can review and remove any opportunities that are not within platform guidelines.

FAQs

For Companies, Groups and Teams

Can I sign up my company's employees, or my group/team members for an opportunity?

Yes, Volunteers United's "Team" feature allows individuals the ability sign up for opportunities together as a group. "Team Leaders" also have the capability to assign team members. Members of teams also can access opportunities as individuals apart from commitments of the Team.

Can I view or pull a report for all employee or team members' volunteer participation?

Yes, the "Team Leader" can view the team members' volunteer participation report. This feature is a great way to report on your organizations volunteer work in the Mohawk Valley.

Are there trainings resources available for me?

Yes, there are on demand resources through the Help function on the site. Volunteers United is an initiative of United Way of the Mohawk Valley. We are here to support you if the Help feature is not answering your questions. Contact Kristen Synakowski at KristenS@unitedwaymv.org.

For Non-Profit Agencies

Do we need to set up an account to post volunteer opportunities?

Yes, to become an active Agency on Volunteers United you must first create an agency profile. We encourage agencies to upload a logo and use your descriptions to help volunteers learn about your agency.

Do I need to be a United Way funded organization to utilize Volunteers United?

No. Any non-profit can create an account.

What is required to participate?

Use of the platform is free. Participating organizations sign a user's agreement, which outlines expectations and confirms your agreement to only use the platform for events and opportunities that affirm the values of treating all people with respect and dignity.

Can we pull a list of individuals who have signed up and their information?

Yes, Volunteers United has a versatile dashboard that allows you to see who is registered for events and opportunities. It continually updates, so you stay informed of messages from your volunteers. Please refer to our Organization Agreement Terms for proper or allowed use of volunteer contact information.
