### Ride United

Transportation continues to be a barrier to accessing vital needs such as healthcare. Ride United breaks down this barrier.

**Ride United provided 2,075 rides, covering 14,814 miles.**

### When a Ride Becomes a Lifeline

A parent in Oneida County struggled to get their child to a specialist in Utica without transportation. After a referral, they connected with Ride United and arranged a Lyft ride. That one trip turned into ongoing support, providing the family with reliable rides for regular medical care and peace of mind when it matters.

### Community Projects & Drives

Throughout the year, we coordinate seasonal volunteer projects and essential resource drives.

**Check out our website to see how your team can get involved!**

### Collaboration in Action

We connect local workplaces and partners to families through customizable, high-impact volunteer initiatives. By coordinating regional hygiene, back-to-school, and diaper drives, we deliver critical resources straight to neighbors in need. These hands-on efforts provide immediate, tangible relief across the Mohawk Valley.

### Disaster Recovery

When disaster struck, 211 was there 24/7 to connect over 1,350 callers with cleanup help, emergency services, and recovery resources.

**Acting as a central hub, 211 linked more than 275 households to free cleanup assistance and arranged over 1,300 rides to help people reach work, appointments, and essential services.**

### United Is The Way

When severe weather impacted our region, many people turned to 211 for support. Volunteers were coordinated, residents were connected to services, and transportation was arranged to meet urgent needs. This work is made possible by the ongoing commitment of donors and workplace partners. Together, we provide practical help when it's needed most.

### 24/7 SUPPORT:

- Dial 211 or 1-844-342-5211
- Text Your Zip Code to 898-211

## NO ONE PERSON OR ORGANIZATION CAN DO THIS WORK ALONE.

Together, we address the root causes of today's biggest challenges while creating better solutions for tomorrow.

## FUNDING PARTNERSHIPS THAT CHANGE LIVES

United Way of the MV proudly funds local programs that provide critical, life-changing services across our focus areas of health & wellness, economic stability, and community responsiveness. From feeding hundreds of families through The Country Pantry, to ensuring emergency housing and warmth at the Loaves & Fishes Warming Center, to connecting people with essential resources through agencies like MVCAA, our partners are there when our community needs them most. In the aftermath of recent natural disasters, we worked alongside local agencies to help more than 30,000 families within just 24 hours, proof of what is possible when we come together. These partnerships are more than funding; they are lifelines.
