

POWERED BY

United Way of the  
Mohawk Valley

## Welcome to the most efficient and streamlined volunteer experience in the Mohawk Valley.

Volunteers United is an employee engagement tool for companies committed to volunteering.

# VOLUNTEERS UNITED BENEFITS

- Easily capture your team's volunteer data and time and easily export reports to understand and showcase your company's impact.
- Get automatic notifications of opportunities matching your company's & it's employee's passion.
- Feel confident that your employee's time and talent are helping build a stronger community.

### IMPROVE EMPLOYEE CULTURE

Employees who are engaged in giving back through their workplace have an increased focus on teamwork, leadership, and skills which improve their performance.

# 74%

of employees say their job is more fulfilling when they are provided opportunities to make a positive impact at work.

### ENHANCE YOUR BRAND

Community engagement through employee volunteering aids in building brand awareness, image, and reputation.

# 77%

of consumers say they would be more willing to purchase a company's products or services if the company demonstrates a commitment to addressing social, economic and environmental issues.
